- Immerse in the settings of stories through sensory details

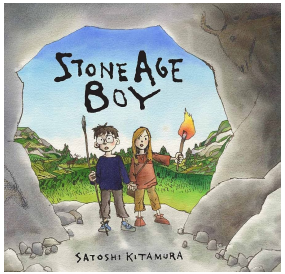

Writing
- Continue to use expanded noun phrases to add descriptive detail
- Securely identify the subject and verb in a sentence
- Begin to explore and use coordinating conjunctions (and, but, so)
- Understand the purpose of the prefixes mis- and re-
- Begin using the strokes required to join double letters such as, dd ee ff gg and ll
- Use the skills above to write a diary entry in role as a character from **'The Stone Age Boy'**

Maths
Addition and subtraction
- Add and subtract numbers mentally (three digit numbers)
- Add and subtract numbers up to three digits using formal written methods
- Estimate the answer and use inverse to check

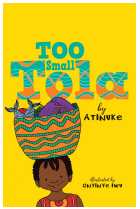

Multiplication and division
- Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables
- Write and calculate mathematical statements for multiplication and division using the multiplication tables that they know
- Estimation and using the inverse to check

RE: <u>Prophecy and Promise</u>
- Learn about prophecies and promises in some of the Bible Scriptures.
- Explore the promises God made to the world with his son Jesus.

Science: Animals including humans
- Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat
- Identify that humans and some other animals have skeletons and muscles for support, protection and movement.

PSHE: Celebrating Difference
- Know why families are important
- Know that everybody's family is different
- Know that sometimes family members don't get along and some reasons for this
- Know that conflict is a normal part of relationships
- Know what it means to be a witness to bullying and that a witness can make the situation worse or better by what they do
- Know that some words are used in hurtful ways and that this can have consequences

Computing: Stop-Frame Animation

- Use technology safely, respectfully and responsibly
- To know and understand digital devices and how they are connected to each other.

Geography: UK

- Name and locate cities in the UK.
- Identify physical and human features of the UK
- To know the settlements, villages, towns and cities
- Identify land use in the local area: Kingston Upon Thames

History: **The Stone Age**

- Understand the term 'prehistory'
- Know that the earliest settlers were hunter-gatherers
- Know about settlements from this period e.g. Skara Brae

French

- Numbers 1- 12
- Saying your age
- Christmas traditions - Le Pere Noel

Music: Composing

- Understand notation such as, stave and the notes b and a
- Hold a recorder with correct the hand placement (left hand at the top) and use gentle, controlled breath to play a melody

PE

- **Indoor PE:** - Creating and performing dances using a range of movement patterns.
- **Outdoor PE:** Applying the basic principles suitable for attacking and defending.

Art: Drawing

- To know about the life of Stephen Wiltshire and his artwork
- Creating patterns and lines using different grades of pencils
- To understand that art can be seen in different ways and that art can make people feel different emotions
- To create observational drawings
- Use a sketchbook to record and experiment as well as try out ideas, and plan colours

Autumn Term Project Ideas

Postcard Home
Choose a place in England, Scotland or Wales and write a postcard from there.

Include:
Where are you?
What is the weather like?
What things have you visited?
Any interesting facts?

Famous Landmark
Create a 3D model or picture/painting of a famous landmark in Great Britain.

Examples: Big Ben, Tower Bridge, Edinburgh Castle

Make Something Move!
Create a moving model using a force.
Examples:
Parachute
Marble run
Catapult

Landmark Factfile
Create a fact file about your favourite British Landmark.

Map of Great Britain
Create a large, creative map of Great Britain, showing:
- England, Scotland and Wales
- Capital Cities
- Mountains
- Rivers
- Famous Landmarks
